SOLID FAITH

Today we hear Moses and the Lord Jesus summon their followers to listen attentively to their words. Moses reminds the people that a great blessing awaits those who obey the commandments of the Lord. Jesus tells his followers that those who listen to and act upon his words will be like the wise man who built his house on rock. Saint Paul recalls for us the central truth of our faith: that we have been justified freely by God's grace through the redemption of Christ. In a society in which we are constantly bombarded with words, let us take the sacred words we hear today to heart. May these words strengthen our faith and make that faith as solid as that house built on rock.
